

**IKT**®  
*Immersion*

*A training experience for selected clients.*

**IKT** *Immersion* is a three-day creative experience designed exclusively for our clients.

A private and confidential format for companies where we share our entire design process from start to finish — from finding inspiration to crafting fully finished prototypes.

An opportunity to experience design from the inside out, working side by side with the **IKT** team in our own studio and workshop.

• 3 practical sessions

• Guidance and accompaniment

• Confidential sessions

• Finished prototypes

• Audiovisual material

## INCLUDES

- Exclusive access to the **IKT** studio and workshop for three days.
- Full support from the **IKT** creative team, with complete confidentiality.
- Inspiration, concept development, and creation sessions.
- Hands-on work with real materials, techniques, and processes.
- Finished prototypes ready to be added to your catalog.
- Photos and videos of the process for your internal and promotional use.

IKT

DAY 1  
· Inspiration,  
conceptualization,  
and creative briefing.
